We're Thinking Green....

.....Green Team, that is! As we begin to think about all that spring and lawn care entails for our maintenance department, we will be looking for someone who has a gift of managing schedules and oversight to lead our team of lawn care workers. Please prayerfully consider how God might use you to bless the work of the ministry in this practical way. For more information please call Rick Hargett at 240-409-6238.

*"But let all who take refuge in you be glad; let them ever sing for joy.
Spread your protection over them, that those who love your name may
rejoice in you. For surely, O Lord, you bless the righteous;
you surround them with your favor as with a shield."*

Psalm 5:11,12

Church Family Ministry Celebration & Business Meeting January 29th

Our church family ministry celebration and business meeting is planned for Sunday, January 29th. At that time we will be presenting testimonies from various ministries as well as presenting summarized financial information from 2011.

In addition to reviewing the Lord's financial faithfulness to us, we will also devote a time to honor and appreciate those who have worked diligently over the year to bless the ministry of New Life. Also, before and after the service we will offer the New Life membership the opportunity to sign the 2012 Membership Covenant and ratify the nominations for our Business Council. Lastly, we will conclude our time of celebration with a stand up snack reception at the rear of the auditorium.

Water Baptism

Our next water baptism ceremony is scheduled for Sunday, February 19th. Those interested should plan to attend the baptism class scheduled for Sunday, February 12th after the 10:00 Service.
